This legislation acknowledges the need to replace the moneys going to the Idaho State Police and the Idaho Parks and Recreation Department on an ongoing basis. It changes the distribution percentages in the Highway Distribution Account from 57% to 62% for the State Highway Account and removes the 5% distribution to the Idaho State Police. It removes the 3% distribution from the gasoline tax to the Idaho Parks and Recreation Department.

These transfers become effective July 1, 2011.

FISCAL NOTE

The Idaho State Police transfer ranges between \$16.4 million and \$18 million, and the Idaho Parks and Recreation Department is approximately \$4.7 million.
